Technical Discovery Questions

Please complete before our kickoff call. Your answers will directly inform the technical architecture of your platform. All information is confidential.

A. Member Profile

Basic Profile

1. What information do you need from the member when subscribing, beyond name and email?

e.g. phone number, home address, adult date of birth

Answer:

2. Do you need medical or allergy information for children in the member profile?

If yes — which fields? (e.g. allergies, medications, emergency contact)

Answer:

3. How does the member identify themselves when arriving at the physical space?

Options: QR code on phone, name lookup on tablet, physical membership card, app check-in

Answer:

Visit Rules

4. Do members have a limited number of visits per month, or is access unlimited?

If limited — how many per tier?

Answer:

5. Do guest passes have a monthly limit? Do unused passes roll over to the next month?

Answer:

B. Membership Tiers

6. Are the 6 current tiers (Frequent, Weekday, Weekend x Family / Single) final, or subject to change?

Answer:

7. "Family" plan — how many adults and how many children does it include exactly?

Answer:

8. "Single" plan — is it one adult with one child, or one adult only?

Answer:

9. Will memberships be offered monthly, annually, or both?

If both — what is the price difference for each tier? (e.g. annual = 2 months free)

Answer:

10. Do memberships start on a flexible date, or always on the 1st of the month?

Answer:

C. Event Types

11. Are these the final event types, or will others be added?

• *Open Play Sessions (regular)* • *Special Events (themed, high-energy)* • *Developmental Classes (age-specific)* • *Caregiver Workshops (for parents)* • *Boutique Birthdays (private)*

Answer:

12. Will events have a fixed duration, variable duration, or both?

e.g. Open Play = always 90 min; Special Events = varies

Answer:

13. Will events repeat weekly / monthly, or is each event unique?

If recurring — same price each time, or can it vary?

Answer:

14. Does the event price vary by membership tier?

e.g. Members pay \$10 · Public pays \$18 — or is pricing the same for everyone?

Answer:

15. Can events be cancelled or rescheduled? How will registered attendees be notified?

e.g. automatic email, manual outreach, SMS

Answer:

D. Booking Process

16. When does booking open for members vs. the public?

Currently designed as 48-hour early access for members — is this correct?

Answer:

17. Can a member reserve multiple spots in the same event?

e.g. to bring a guest — does this consume a guest pass?

Answer:

18. Will Stripe send the booking confirmation automatically upon payment?

Or do you want a custom confirmation email from the platform as well?

Answer: _____

19. Can a member cancel their own reservation? How many hours before the event is cancellation allowed?

e.g. free cancellation up to 24 hours before; no refund after that

Answer: _____

E. Birthdays & Private Events

20. How many birthday packages do you offer? Please describe each.

Include: duration, what's included, maximum number of child guests, and price

Answer: _____

21. Does the birthday client fill out a preferences form before the event?

e.g. theme, food allergies, number of children, preferred time slot, special requests

Answer: _____

22. Are there add-ons available for birthday bookings?

e.g. extra decoration, additional hour, party favors, custom cake table setup

Answer: _____

23. Are birthdays booked and paid fully through Stripe, or do they require a separate deposit + contract process?

Answer: _____

F. Member Portal

24. Will there be a member portal after login?

Yes / No

Answer: _____

25. If yes — what should the member see in their portal?

e.g. upcoming booked events · visit history · membership status · renewal date · available guest passes

Answer: _____

26. Can the member update their payment method directly from the portal?

This connects to Stripe's customer portal

Answer: _____

27. Can the member add or edit their children's information from the portal?

e.g. update child's name, age, allergy info
